

**MOUNT CARMEL COLLEGE,
BANGALORE**

BACHELOR OF VOCATION IN ANALYTICS (BVOC)

**There is no doubt that this is the most
Industry Relevant course today !**

The course is designed with inputs from Industry leaders and provides a broad spectrum of study and understanding. These courses are spread across in a way to enhance the knowledge of students in a phased and logical manner. Subjects under Core and Programming Skills are handled by Industry Experts. The skill component is complemented by exposing students to hands-on sessions in the lab.
