

## **FOUNDRESS DAY**

### **January 29th, 2019**

The Foundress Day is celebrated on January 29th of every year to commemorate Mother Teresa of St. Rose of Lima. On this day, all first year students assemble in the auditorium to witness a presentation of present and past principals of Mount Carmel College, which talks about the college and the principals views on MCC.

After the video presentation, the alumni of the college also address the students, further elaborating on the values and belief systems that the college and its leaders follow.
