

INDEPENDENCE DAY CELEBRATIONS

Ethnic Day 14th august

Independence day on campus is truly a fun-filled day as it isn't just National fever that's in the air, but the representation of various cultures that the college hosts through our ethnic day celebrations. Students from all over India showcase their regional art forms, either through song, dance or representative art. It's a great day for all the students to immerse themselves in each other's cultures and to celebrate their true patriotic selves. The celebrations are joined by teachers and faculty alike.
