

## **MONTHLY CANTEEN AND WASHROOM INSPECTION**

Monthly canteen and washroom checks are conducted by the student Government to ensure the hygiene levels on campus. Canteens are checked for various parameters and any aberration is immediately addressed. Washrooms are checked for all basic necessities; this includes water flow, washroom infrastructure, hand washes, sanitary pads and their disposal mechanisms. These activities ensure that the Hygiene on campus is never sub-par and delivers the best to the students.
