

Educational Programmes:

'MENTERN':

The Mentorship cum Internship programme facilitated by the Alumni Association gives the students an insight into the myriad opportunities available in the industry today.

Illustrious alumni from several walks of life mentor the students and give them an opportunity to get an insight into the nature of the profession by providing them with a short internship in their respective field.

LIST OF MENTORS:

1. Dr. Preetha Tilak -

Clinical Geneticist, St. John's Medical College. An alumna of the Class of 1985.

2. Ms. Vasundara Das -

An alumna of the Class of 1999

3. Dr. Prathibha Ranganathan

An alumna of the Class of 1999.
