

Mount Carmel College, Autonomous, one of the premier women's colleges in India completed 70 years of existence in Bengaluru recently. Over the years, college has witnessed many batches of Carmelites graduating and moving into the world, as young empowered women. Carmelites have made strides in their career and occupying high positions across the country.

Mount Carmel College Alumni Association (MCCAA) has grown in strength with each passing year. MCCAA is a bridge between Institution and students, stronger is bonding when we could connect to them irrespective of their time constraints and distance using technology. Carmelites are the brand ambassadors of this great institution. Mount Carmel College Alumni Association (MCCAA) plays an important role in helping to shape the future of outgoing under & post graduate students by representing the views of its core team members and building a supportive alumni group appropriate to global standards.

With many carmelites scattered all over the world, active participation in the get togethers and activities of the Association was becoming difficult. Starting **Chapters**, region wise of the Alumni Association would foster continued/active participation of our alumni in the activities to collectively make a difference to society and the less privileged, in the name of our Alma Mater - Mount Carmel College, Autonomous.

The association works together with the Institution organizing a wide range of events. Alumni are role models for current students. Alumni are backbone of institution and are genuinely involved in college activities. The MCCAA alumni family is huge. The Director, President and Internal Coordinator of MCCAA formally initiated three chapters in Chennai, Mumbai & Thrissur, Kerala.

Aim

The alumni events, networking and 'Mentern' - the Mentorship - internship services are available through chapters of MCCAA, which are designed to help other alumni. Research is indisputable. Diversity of courses has opened up myriad opportunities to students which in turn has driven them to acquire more workable skills. Through the chapters, the aim is to mentor the students in various fields making them more competent.

Objectives

To connect alumni at National level, region wise chapter initiation i.e., in three states has helped the association to connect with Carmelites in their area of expertise. The three chapters are in Chennai, Mumbai & Thrissur, Kerala. The members of chapters & plan their activities in tune with the main objectives & activities of the association.
