

## **Placement Report for the Year 2013 – 2014**

Placement Cell activities for 2013 - 14 started in August with a Workshop on Resume Writing and facing Interview. Companies were asked to present their Pre-placement Talks and conduct tests and interviews in the College Campus.

Majority of the students interested in Placement registered for Campus Recruitment. 95% of our students are placed. Other students were interested in pursuing their higher studies.

We are very happy and pleased with the support we received from the companies. The companies are interested in Industry-Institution interface. They extend their support by training the students in various soft skills, helping us with resource Persons and also conducting value-added courses in Communication Skills, Personality Development and so on.

One notable feature is that the companies volunteering to train the students to face the Corporate world by conducting workshops on Resume Writing, Interview Skills, Group Discussion, Attitude, etc.

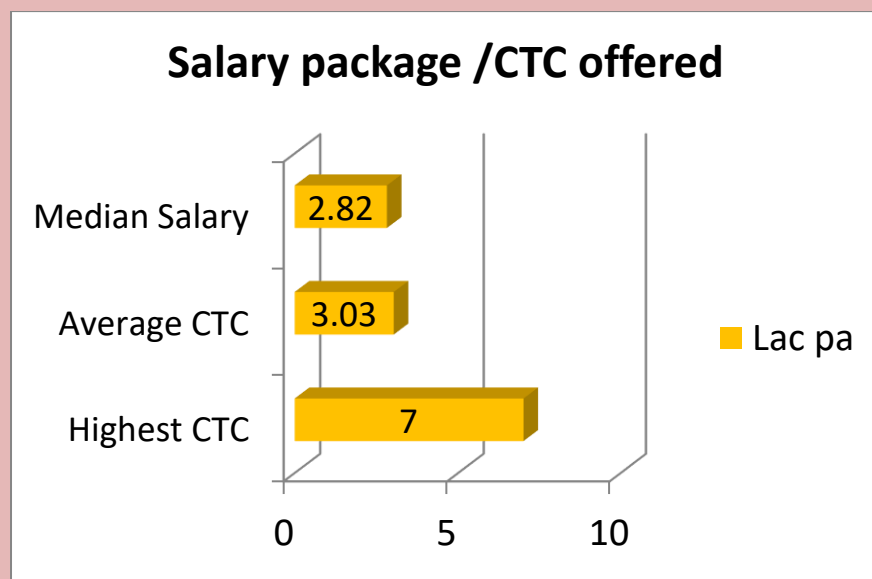

We do get a very good feedback on excellent performance of our students by the companies. The consistent feedback about our alumni who have been employed by these companies has been very encouraging and the companies are satisfied with their technical knowledge and abilities in industrial applications.
