

Placement Report for the year 2017- 2018

Activities for the academic year started with an orientation program.

At MCC, we are continuously working on grooming the skills of our students to make them work ready.

The placement cell conducted various activities throughout the year that includes seminars and workshops giving students an insight about the various career opportunities that they could explore.

These workshops included mock interviews, developing soft skills, and training students to make them 'job-ready'. The placement cell conducted regular aptitude tests in Math, logical reasoning and verbal ability to enable the students to successfully clear the preliminary tests conducted by companies.

Students from all disciplines undergo career counseling by a professional counselor throughout the year.
