Memorandum of Understanding

College Name : MOUNT CARMEL COLLEGE AUTONOMOUS, Bengaluru

Date : 28th May 2019

Texas Instruments Innovation Centre (A partner of Texas Instruments India University Program)

1. Introduction

India has become a promising investment destination for foreign companies looking to do business here. Our Honourable Prime Minister of India Shri Narendra Modi has launched the '*Make in India*' and '*Skill India*' initiative with the aim to give the Indian economy global recognition. This initiative is expected to spur development, economical growth and thereby improving the living standard of Indian Citizen.

Education has to play very important role in providing huge pool of skilled and knowledgeable, and industry ready Employees. The future success of Indian industry depends on the growth of quality education in India, especially since Indian industry is competing globally in areas such as software and hardware electronics, automobiles, pharmaceutical, chemicals, engineering equipment etc.. However, the reality is that only a very small percentage of these students are readily employable (@25% or less as per the survey by Nasscom) and most lack industry-specific skills. In order to bridge this gap between the academia and the industry and to ensure ready deployment in regular work streams, structured industry specific training is necessary. Also you need good support systems for skill development. EdGate is focused towards the same and partnered with worldwide companies to get world class technology on IOT, Embedded, Robotics and Analog systems in India .

2. MOUNT CARMEL COLLEGE, AUTONOMOUS

Mount Carmel College Autonomous for women is owned and run by the congregation of the Carmelite Sisters of St. Teresa. From the year 1964, Mount Carmel College was affiliated to the Bangalore University and consequent to the trifurcation in 2018, Mount Carmel College is presently affiliated to the Bengaluru Central University.

The College has been offering undergraduate and postgraduate courses in Arts, Science, Commerce, Business Studies and Management. The student strength of the college
