

Placement report for the year 2016-2017

Placement activities at MCC have always been directed towards benefiting the student community. The Placement Cell looks into the interest of our students and recruits Degree & P.G. students in to various multinational & national companies.

This year's placement performance was gratifying, both in terms of response from the industry and the students. Students from all disciplines undergo career counseling by a professional counselor throughout the year. The placement cell conducts various activities and workshops such as resume writing, interview skills, group discussions, aptitude tests and mock interviews for the students. The students also attend pre-placement talks organized by the companies which are then followed by tests and interviews in the college campus.

This academic year started with an orientation of the Placement Association. The Placement registrations this year increased as many students were looking forward for Job Placements.

At MCC, we are continuously working on grooming the skills of our students to make them work ready. The placement cell conducted various activities throughout the year that includes seminars and workshops giving students and insight about the various career opportunities that they could explore. These workshops included mock interviews, developing soft skills, and training students to make them 'job-ready'.

A few such Seminars and workshops to mention as below were conducted for the students by top professionals from the industry:

Salary Package offered

The number of organizations and the compensation has consistently increased over the years. Most of the companies who visit have recruited from us in the past which talks about the quality of our students and every year we encourage the new organizations.

The placement season ended with a session for all the students who were placed on the Do's and Don'ts at workplace and also, what to expect once they join the organization by industry experts.

There has been a significant increase in the number of companies which come for campus placement every year from 2012 onwards for all the streams except Home Science and Communicative studies who have networked well with the relevant industries and have had excellent placements for their students.

Feedback from the company

We are proud to state that we get excellent feedback on the performance of the students from the companies.

- The students have very good communication skills and adapt easily to the work culture
- The students are initiative driven
- Our students were well mannered and professional in their approach.
- Excellent team work and ability to learn
- The placement cell encourages an internship culture at Mount Carmel, as the students get firsthand experience about the actual work culture and the nature of work even before they are on boarded to a full time employment.
