

Mount Carmel College Autonomous

One Year - Diploma in Cosmetology, Department of Home Science

(UGC APPROVED)

Diploma in cosmetology is a full-time one-year course with **Anutham {incubated @ NSRCEL IIM Bangalore}** as its industrial partners to provide scientific medically-validated Training.

The training is designed and executed by a team of expert healthcare personnel (including dermatologist, physician, microbiologist, physiotherapist) and senior beauticians.

With the beauty and wellness industry in India expected to triple in the next five years there will be a huge demand for trained personnel. The Cosmetology course is designed to train the student in the practical skills, theoretical knowledge, and professional attitudes necessary for competency in the Cosmetology profession. A great deal of attention has to be directed towards innovation, improvement in quality, keeping up with international standards and also combining traditional knowledge with advanced scientific techniques.
