VENUE: MTB 203

TIME: 8.30 AM

As the morning bells rang on the morning of 4<sup>th</sup> October 2021, the first-year students stepped into the campus of Mount Carmel College for the first time. It was their first day on campus after over a month of online classes. They assembled in MTB Room No.203. A welcome board with warm wishes was placed to welcome the freshers. Mrs. Shanthi Subbiah, Head of Department, welcomed them with warmth and affection and the teachers introduced themselves. The college rules, timings, room allotment and all other necessary details were briefed to the students. Each student was given a specially designed bookmark and a chocolate as a token of welcome from the Department of Education. The students were called forward and their ID cards were handed over. The allotted senior students took the freshers on a campus tour in small groups, introducing them to the various buildings and spots on campus. The students assembled back in the allotted rooms for classes after their campus tour. Being their first day on campus, they were allowed to go home during the lunch break. The students who walked in with anxious faces left at the end of the day with a bright smile and full of positivity.
