Mother Teresa  
of  
St. Rose of Lima  
(1858 – 1902)

## Foundress

Mother Teresa was born on January 29, 1858 at Chennai, to devout Catholic Parents. Christened Mary Grace, she lost her mother at a young age, but her father gave her all the love and excellent education that fitted her for her future apostolate. When, 18, she was invited to Alleppey in Kerala to teach in a school run by the Carmelite priests. The school was not in proper condition when she took it over, but she quickly turned it into a success story. During this period, Mary Grace became a Carmelite Sister herself, and in 1884 she was professed and given the name Sr. Teresa of St. Rose of Lima.

Sr. Teresa later became a teacher at St. Joseph's Convent at Alleppey and started living a religious life according to the Regulations for the Sisters of the Third Order of Our Lady of Mt. Carmel, but in 1887 she was given a higher responsibility and asked to go to Ernakulam to educate and care for the oppressed people there.

It was at Ernakulam that Sr. Teresa founded the Congregation of Carmelite Sisters of St. Teresa on April 24, 1887. During this period, she responded in a prophetic way to the demands of the Gospel and the Church, and led the marginalized sections of society to experience their human dignity and secure their rightful place by building "a civilization of love". Soon, she became a 'mother' to the poor and the outcast. Mother Teresa and her Congregation became the pride of the neighbourhood, with its service for the sick & the dying and for unwed mothers & orphans, and its free soup kitchen for the famine-hit public. In just 15 years, Mother Teresa placed the Congregation on a strong foundation, braving all the challenges.

Mother Teresa's brilliant life came to a tragic end on September 12, 1902 when the train in which she was travelling fell into a river in Andhra Pradesh, following a sudden and violent storm burst. Though deeply hit by her sudden departure, the Congregation continued its life of prayer and apostolic work and public service under her inspiration, and gradually grew into a widely respected institution. Today the Congregation works in more than 120 communities worldwide in schools & colleges, technical schools, social work and social action centres, hospitals & hospices, homes for the aged and the sick, orphanages and prisons, centres for the development of women, men and children and so on.

## **COLLEGE SONG**

Raise we then the joyous shout  
Life to Alma Mater  
Life to each professor here  
Life to all our comrades dear

May they leave us never  
May they leave us never.

Showers of her blessings  
Our Lady of Mount Carmel  
May the years bring her renown  
And her children be her crown.

Amen to that prayer  
Amen to that prayer.

Give us a vision bright, courage to dream  
And reach our destiny, fording all streams  
To wipe away the dark, brighten this land  
With the anthem raised, praise the Lord divine

Carmel will Shine

## **PRAYER BEFORE CLASS**

O God, we are here to take your touch before we begin our day's work, enlighten our minds, strengthen our memories, make us receptive to the truth and bless us. Amen.

## PRAYER OF BLESSING

1. Father, I place into Your hands  
The things I cannot do.  
Father, I place into your hands  
The things that I've been through  
Father, I place into your hands  
The way that I should go  
For I know always can trust you.
2. Father, I place into your hands  
My friends and family  
Father, I place into your hands  
The things that troubled me  
Father I place into your hands  
The person I would be  
For I know always can trust you.
3. Father, we love to see your face,  
We love to hear your voice  
Father, we love to sing your praises  
And in your name rejoice,  
Father, we love to walk with you  
And in Your presence rest,  
For we know we always can trust you.
4. Father, I want to be with you  
And do the things you do.  
Father, I want to speak the words  
That you are speaking too.  
Father, I want to love the ones  
That you will draw to you  
For I know that I am one with you.

### **Choice Based Credit System for Post Graduation Studies**

Research and experience has revealed that the learner centric contextual curriculum recommended and the desired learner outcomes proposed can be achieved mainly through Choice Based Credit System (CBCS). The system, which is in vogue in most of the Universities, is a vital tool of bringing the transformation in the traditional higher education system of India. CBCS operates on modular pattern based on module/units called “credits” wherein ‘credit’ defines the quantum of contents/ syllabus prescribed for a course/ paper and determines the minimum number of teaching-learning hours required.

The ultimate goal is to bring reforms in higher education so that students develop thinking as well as analytical ability, he/she gets equipped with necessary skills ultimately making him/her suitable for an employment and to integrate values of our culture with education.

## **Introduction of Choice Based Credit System (CBCS) and Cumulative Grade Point Average Method of Evaluation (CGPA)**

### **Definition and Classification of Courses under the CBCS**

**Programme** means a particular field of study comprising of several courses chosen for the award of the degree in that field.

**'Duration of programme'** means the time period required for the conduct of the programme. The duration of Postgraduate degree programme shall be four semesters distributed in a period of 2 years.

**Course** means a subject of study in a programme.

**Semester** means a term consisting of a minimum of 5 months including the days of examination.

**Credit** of a course is a measure of the weekly unit of work assigned for the course.

Credit defines the quantum of content/syllabus prescribed for the course. It may be a unit prescribed for a course and is determined by the number of hours of instruction required per week. Thus, in each course credits will be assigned on the basis of the no. of hours required per week for lectures/tutorials/lab work/field work to complete the course in a single semester.

1 credit = 1 hour of direct teaching / week

1 credit = 2 hours of lab work / week

1 credit = 2 hours of field work /project / week

Thus, 1 credit course requires 1 hour per week during a 15 week semester and accordingly a 3 credit or 4 credit courses requires 3 or 4 hours per week during a 15 week semester.

A course which has 3-4 hours per week per semester with weightage of 3 to 4 credits is considered as a full course.

A paper with 2 credits is like a half paper.

A course of 3 credits may be so designed that there will be 2 credits for theory and 1 credit for lab work/ field work/ project work.

A course of 4 credits may be so designed that there will be 3 credits for theory and 1 credit for lab work/ field work/ project work.

Typically a course will comprise of 4(four) units.

**Core Course (CC)** refers to that course which embodies skills and knowledge considered essential and thus made mandatory for all students. Perusing a particular programme it involves a course of study that is deemed central.

**Allied Course (AC)** is the one which is closely related to core course, which facilitates the understanding of the core course and hence made mandatory for a particular programme of a study.

**Elective Courses (EC)** are a group of courses that a student can select from among given alternative groups of the main subject.

**Soft Course (SC)** is a course which enhances the personal attributes of an individual's interactions, job performance and career prospects and Entrepreneurial qualities.

A workshop will be conducted for the PG students on Personal Effectiveness and Business Communication in the I semester and Entrepreneurship in the III Semester. Attendance for both workshops is compulsory. Students who fail to attend these workshops will not be permitted to take up the End Semester Examinations for that particular semester.

**Open Elective Course (OEC)** is a cross disciplinary course which combines several fields of study of academic interest.

**Composition of Courses in a Programme spread over Four Semesters (first, second, third and fourth respectively)**

|                                 | M.A.      | M.Com      | M.Sc       |
