

MOUNT CARMEL COLLEGE, AUTONOMOUS
CENTRE FOR EXTENDED EDUCATION

BROCHURE

2020 - 2021

In order to meet the challenges of education in a fast changing world, **Mount Carmel College Autonomous** has established the **Centre for Extended Education (CEE)** in the year 2005, with the objective of empowering our students holistically.

There is an imperative need today to prepare our youth to be successful citizens in a global society.

Mission : *Empower Students with Holistic Knowledge, Development & Excellence*

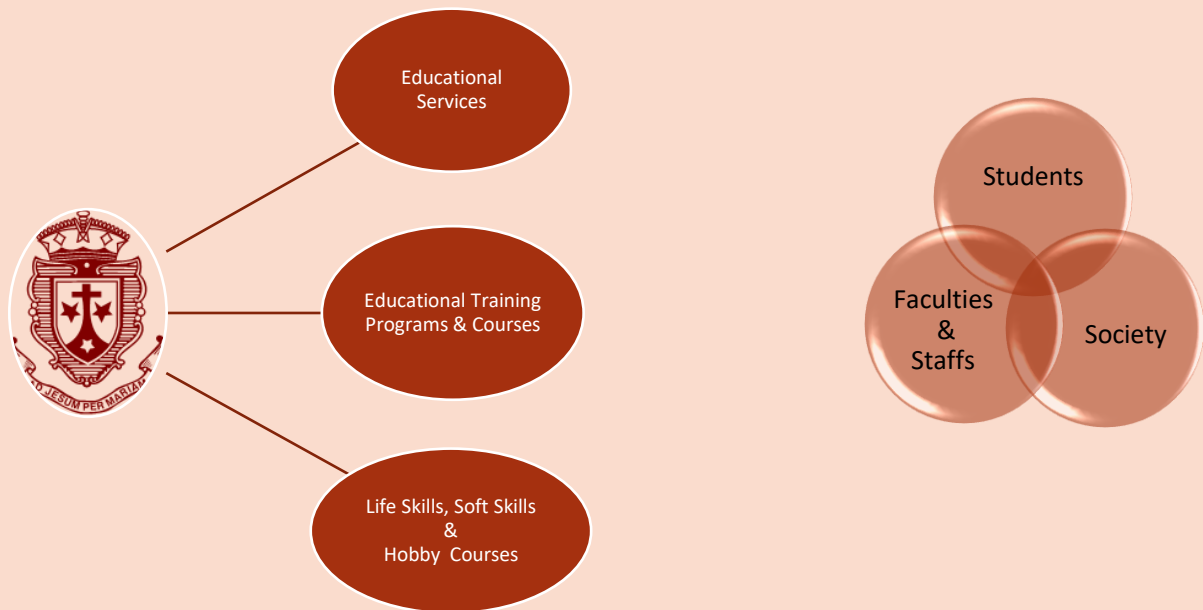

Vision of CEE

- To empower our students with holistic growth and to face and experience the outside world with knowledge and courage.
- Guide the students to reach great heights, practice values and reach out to the society at every stage of her life.

The below mentioned are the objectives to bring forward credit course on campus.

- Courses are open to all students and other segment of society.
- Few students opt for a course which gives them an insight into the knowledge beyond the curriculum and others take up courses they always had a desire to learn.
- The latest technology & methods of teaching and learning are used by the facilitators.
- The courses are tailor made for our students, it is at their door step (no travelling) cost effective, and classes are not held during their test /exams.
- The students with the certificate and the credits reflecting on their resume/marks card from our courses have an edge over the others be selected in an interview or opportunities to pursue higher education in India / Foreign Universities.
- CEE helps students with Scholarship/Assistance if necessary
- Vocation based credit courses, gives an opportunity to our students to test their entrepreneurial skills by starting their own venture on campus or online.
- Students are given an opportunity to conduct a course as facilitators if they are certified for the same.
- CEE recycle clothes, books & stationery by distributing to our students and the society who are in need.
- CEE started solid waste management on campus and recycle E-waste too.

MOUNT CARMEL COLLEGE, AUTONOMOUS CENTRE FOR EXTENDED EDUCATION

Centre for Extended Education offers a wide range of certificate credit courses across the spectrum of multiple disciplines, to make learning a rich and complete experience.

With the Covid-19 outbreak, for the first time all the CEE courses will be offered Online.
