

## **OPEN ELECTIVE UNDER NEP 2020**

The emphasis on multidisciplinary education is a hallmark of NEP 2020 and is reflected in the introduction of the Open Elective Courses for the first four semesters in all the undergraduate programs. Open Elective will be a course the student will pursue beyond one's core discipline course. Open Elective courses will be 45 hours course with 3 credits. Open Elective courses with practical component will have 30 hours of theory (2 credits) and 30 hours of practical (1 credit).
