PRINCIPAL'S MESSAGE

Distinguished Chief Guest Dr. Lingaraja Gandhi, Guest of Honour Sr.Aparna, Parents, Well-wishers, Special invitees, Members of the management, staff and dear Carmelites, Ladies and Gentlemen, Good Evening. It gives me great pleasure to welcome you all to the 75th Annual Day function of Mount Carmel College. A special thank you to our Chief Guest Dr.Lingaraja Gandhi, the Vice Chancellor of Bengaluru City University and Mrs. Gandhi who have honoured us with their gracious presence.

Today, we have the opportunity, not only to focus on the academic year just gone by, but also to reflect on all that has been achieved in the last seventy-five years. If we have been able to make the vision of our Foundress, Mother Teresa of St. Rose of Lima, a reality – it is sheerly due to the constant support, continuous commitment and unwavering dedication of the Carmelites and the grace of the Almighty.

The theme of our celebration today is 'The Family'. But who is our family? The writer-philosopher Richard Bach had once said that "The bond that links your true family is not one of blood, but of respect and joy in each other's life." We Carmelites are that family and thus it is common to hear us say, 'Once a Carmelite, always a Carmelite'.

We can proudly acknowledge the stars within our Carmelite family, achievers in every field: admired professionals, successful entrepreneurs, dedicated homemakers, and great citizens of our country. Equally, we can look forward to a golden future through the young students here, who will carry the legacy of our college on their shoulders. So, we spend time here together, fully knowing that all that we have, is gifted from above. I am reminded of the line from the Book of Psalms, "How good and pleasant it is when God's people live together in unity!"

This year has seen us emerge from the fear and loss caused by Covid and the consequent lockdowns. In that, I must express my deep appreciation of our teaching and non-teaching staff for their hard work and dedication. They are indeed the backbone of our college. Having conquered past obstacles, now there is excitement in the air, as we raise the bar and take up the challenge of soaring even higher. It is likely that I will not be here to see all of the future successes, but just as I carried the legacy of my predecessors, there will always be a Carmelite to lead the way on the path set by our Foundress. And together, there is nothing we Carmelites cannot achieve.

Once again, I thank you all for being an integral part of the 75th Annual Day celebrations. It is my great pleasure to present to you the highlights of the year gone by.

PLATINUM JUBILEE YEAR

The journey which we began on 7th July 1948 has completed 75 years of glorious era. Mount Carmel group of institutions is celebrating its Platinum Jubilee this academic year 2022-23. This 75 years of “Herstory” that we are celebrating is a celebration of the life and message of our Foundress Mother Teresa of St. Rose of Lima, which has inspired us to script stories of Confident, Competent, Compassionate Carmelites over generations. The celebrations began with the Eucharistic Mass on 7th July 2022, followed by a formal inauguration on 9th July 2022. The then Honourable Vice President of India Shri Venkaiah Naidu was the Chief Guest.

The yearlong celebrations was a time to rejoice make a difference. The following events were hosted to commemorate the Platinum Jubilee year:

PLATINUM JUBILEE SONG

*It's time to celebrate
Let's jubilate
Celebrate seventy five
Years of Carmel pride
It's time to celebrate
Let's jubilate
Join hands and sing oh Carmelite*

*Many walk this road
Filled with courage and with pride
Our lady of Mount Carmel
Make us instruments of change
Confident, Compassionate, and Committed Carmelite
The virtues we hold on to build the kingdom of God*

*The shapers and the makers of tomorrow's generation
With kindness and humility choose to spread our love to all
With ten thousand of our sisters who have paved the way for us.
We will walk with heads held high
And we will shout for joy*
