

**Mount Cares – 9<sup>th</sup> Dec 2022**

Christmas inspires giving, sharing and caring. Christmas is the favourite time of the year for many of us. The emphasis during the season is on sharing and giving. CEE organised, Caring and sharing day on the 9th of Dec 2022 and hosted stalls on the campus which included

clothes, bags, jewellery, candles, soaps, masks, Christmas decors, Christmas cookies & eateries, cakes, wines, etc. The proceeds of the sales were used to donate warm clothing blanket to orphanage homes. Christmas alerts us to the needs of those less fortunate than ourselves, and many organizations and individuals made special efforts to bring the Christmas joy to them. Our sincere gratitude to all supporters and contributors.
