## CLDT

### Objectives of CLDT:

- Facilitates departments with conduction of seminars, workshops and conferences
- Conducts regular Faculty Development Programs, Training Programs to enable faculty to upgrade their skill sets
- Organizes student-centric events to promote learning beyond classrooms
- Facilitates Skill Development Programs which contribute to enhancing skills among students, teaching and non-teaching community

## About the FDP

The program aims at equipping teachers with skills and knowledge that are essential for guiding and monitoring their progress towards their career. The FDP will focus on various strategies and tools to bridge the gap between quality research and the teaching techniques that can disseminate knowledge to the young learners effectively. There is no single universal approach suitable for all situations. Effective teachers use various strategies to support intellectual engagement. Effective pedagogy techniques enables teachers to observe and assess students in context of class room situations which increases the prospects of effective learning.

## Outcome

- Enable teachers to master a repertoire of instructional methods and strategies to ensure good and effective teaching.
- Enable them recognise and imbibe the proficiencies and qualities of good teacher.
