Glorious 75 years
Re-Accredited with an A+ Grade by NAAC

Dual Major Course - Biotechnology & Chemistry

Overview of the Programme

This course covers the qualitative and quantitative aspects of both Chemistry and Biotechnology. Emphasizing on the wholesome knowledge of a student on chemical and biological aspects of Biomolecules and the intricate pathways of life.

Objectives of the Programme

To impart basic knowledge and skills of various aspects of Biotechnology & Chemistry.

To train the students for challenging career in the future and lay a strong foundation for higher studies, research and industries.

Career Prospect

This course will equip the students with lucrative and challenging opportunities to work in the -

- Medical Sector
- Research and Development
- Pharmaceutical sector
- Bioinformatics
- Clinical research
- DNA Analyst
- Clinical Laboratory Technician
- Quality control and Quality Assurance
- Higher Studies
- Government Jobs

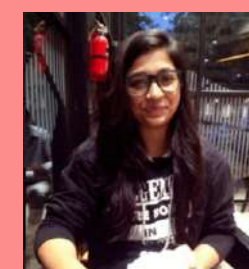

Prominent Alumni

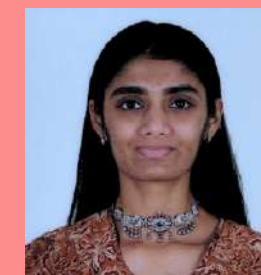

Dr. Tanzila Mukhtar
Swiss National Science
Postdoctoral Fellow

Dr. Praapti Jayaswal
CEO
Aarogya AI

Dr. Priya Dagar
Associate
Lexorbis, Bangalore

Ms. Smriti Kumar
Senior Scientist
Genomic Sciences Dept.
GSK

Ms. Shruthi Rajaram
Integrated Ph.D
TIFR, Hyderabad

Ms. Shubha Govindarajan
Integrated Ph.D
NCBS
