Life to all our comrades dear

May they leave us never  
May they leave us never.

Showers of her blessings  
Our Lady of Mount Carmel May the years bring her renown  
And her children be her crown.

Amen to that prayer  
Amen to that prayer.

Give us a vision bright, courage to dream And reach our  
destiny, fording all streams To wipe away the dark, brighten  
this land  
With the anthem raised, praise the Lord divine

Carmel will Shine

For I know always can trust you.

## **Choice Based Credit System (CBCS) and Cumulative Grade Point Average Method of Evaluation (CGPA)**

### **Definition and Classification of Courses under CBCS for Postgraduate Courses.**

**Programme :** A particular field of study comprising of several courses chosen for the award of the degree in that field.

**Duration of programme :** The time period required for the conduct of the programme. The duration of Postgraduate degree programme shall be four semesters distributed in a period of 2 years.

**Course :** A subject of study in a programme.

**Semester :** A term consisting of a minimum of 5 months including the days of examination.

**Credit of a course :** A measure of the weekly unit of work assigned for the course.

**Credit** defines the quantum of content/syllabus prescribed for the course. It may be a unit prescribed for a course and is determined by the number of hours of instruction required per week. Thus, in each course credits will be assigned on the basis of the no. of hours required per week for lectures/tutorials/lab work/field work to complete the course in a single semester.

1 credit = 1 hour of direct teaching / week

1 credit = 2 hours of lab work / week

1 credit = 2 hours of field work /project / week

Thus, 1 credit course requires 1 hour per week during a 15 week semester and accordingly a 3 credit or 4 credit courses requires 3 or 4 hours per week during a 15 week semester.

A course which has 3-4 hours per week per semester with weightage of 3 to 4 credits is considered as a full course. A paper with 2 credits is like a half paper.

A course of 3 credits may be so designed that there will be 2 credits for theory and 1 credit for lab work/ field work/ project work.

A course of 4 credits may be so designed that there will be 3 credits for theory and 1 credit for lab work/ field work/ project work.

Typically a course will comprise of 4(four) units.

**Core Course (CC)** refers to that course which embodies skills and knowledge considered essential and thus made mandatory for all students. Perusing a particular programme it involves a course of study that is deemed central.

**Allied Course (AC)** is the one which is closely related to core course, which facilitates the understanding of the core course and hence made mandatory for a particular programme of a study.

**Elective Courses (EC)** are a group of courses that a student can select from among given alternative groups of the main subject.

**Soft Course (SC)** is a course which enhances the personal attributes of an individual's interactions, job performance and career prospects and Entrepreneurial qualities.

A workshop will be conducted for the PG students on Personal Effectiveness and Business Communication in the I semester and Entrepreneurship in the III Semester. Attendance for both workshops is compulsory. Students who fail to attend these workshops will not be permitted to take up the End Semester Examinations for that particular semester.

**Open Elective Course (OE)** is a cross disciplinary course which combines several fields of study of academic interest.

### **Composition of Courses in a Programme spread over Four Semesters (first, second, third and fourth respectively)**
