Mother Teresa  
of  
**St. Rose of Lima**  
(1858-1902)

## FOUNDRESS

Mother Teresa was born on January 29, 1858 at Chennai, to devout Catholic Parents. Christened Mary Grace, she lost her mother at a young age, but her father gave her all the love and excellent education that fitted her for her future apostolate. When, 18, she was invited to Alleppey in Kerala to teach in a school run by the Carmelite priests. The school was not in proper condition when she took it over, but she quickly turned it into a success story. During this period, Mary Grace became a Carmelite Sister herself, and in 1884 she was professed and given the name Sr. Teresa of St. Rose of Lima.

Sr. Teresa later became a teacher at St. Joseph's Convent at Alleppey and started living a religious life according to the Regulations for the Sisters of the Third Order of Our Lady of Mt. Carmel, but in 1887 she was given a higher responsibility and asked to go to Ernakulam to educate and care for the oppressed people there.

It was at Ernakulam that Sr. Teresa founded the Congregation of Carmelite Sisters of St. Teresa on April 24, 1887. During this period, she responded in a prophetic way to the demands of the Gospel and the Church and led the marginalized sections of society to experience their human dignity and secure their rightful place by building "a civilization of love." Soon, she became a 'mother' to the poor and the outcast. Mother Teresa and her Congregation became the pride of the neighbourhood, with its service for the sick & the dying and for unwed mothers & orphans, and its free soup kitchen for the famine-hit public. In just 15 years, Mother Teresa placed the Congregation on a strong foundation, braving all the challenges.

Mother Teresa's brilliant life came to a tragic end on September 12, 1902 when the train in which she was travelling fell into a river in Andhra Pradesh, following a sudden and violent storm burst. Though deeply hit by her sudden departure, the Congregation continued its life of prayer and apostolic work and public service under her inspiration, and gradually grew into a widely respected institution. Today the Congregation works in more than 120 communities worldwide in schools & colleges, technical schools, social work and social action centres, hospitals & hospices, homes for the aged and the sick, orphanages and prisons, centres for the development of women, men and children and so on.

## **MCC : A BRIEF HISTORY**

Mount Carmel College, Autonomous is owed and managed by the Carmelite Sisters of St. Teresa (CSST). The journey of Mount Carmel College began in **1944 in Trichur, Kerala as Carmel College** affiliated to Madras University. To meet the increasing demand for women's education, the Management took the decision to shift to Bangalore in the year **1948**. Initially affiliated to Mysore University it later became an affiliated college of Bangalore University in 1964. Presently the institution is affiliated to **Bengaluru City University**.

In largely uncharted waters this minority institution that was originally intended for Catholic students opened its doors to those of all castes, creeds and communities, thereby fulfilling its mission of empowering youth and equipping them with knowledge and strength of character, to transcend narrow concerns and work tirelessly towards the vision of a better and more egalitarian world.

Beginning with a few hundred students in 1948, the college has grown exponentially and today caters to over **8500 students** offering programs across all streams – **Humanities, Social Sciences, Natural Sciences, Applied Sciences, Commerce, Management and Education**. Today the institution offers **47 undergraduate, 21 post graduate and 11 Doctoral programs**. The growth and diversification of the institution over the last **76 years** demonstrates its sensitivity to keep abreast with the rapid changes in the higher education space and economy.

An **Autonomous College** since 2005, Mount Carmel College was first accredited with 5 Star in 1999, Re-accredited with an A+ in 2006, 'A' Grade in 2012 in its third cycle and A+ in the **fourth cycle of accreditation** by the National Assessment and Accreditation Council (NAAC). In 2006, University Grants

Commission identified the college as **‘College with Potential for Excellence’ (CPE)**. The ten-year extension of autonomy in 2022 is a reflection of the impact that the institution has had in terms of the nature of programs offered, the increase in student strength, the effective governance and management. The Institution is consistently ranked among the top 20 colleges in India.

The college has well established research facilities and state of the art laboratories, which facilitate research culture both among staff and students. **Eleven Departments** have been recognized as **Research Centres by Bengaluru City University**. The college is registered with the **Department of Scientific and Industrial Research (DSIR)** and is recognized as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India (Act 1988).

The mission of the institution to empower students to be catalysts of change has ensured that learning goes beyond classrooms. With over **65 Associations/Clubs**, the students are engaged in several co-curricular activities, which enables them to nurture their skills, hone their talent and in the process mold them to be confident personalities. The institution is also conscious of its role in molding the citizens of tomorrow and hence made community engagements a component of main program matrix.
